SECTION 1: ENGLISH LANGUAGE PROFICIENCY

GEL General English language proficiency

1 Unit description

This unit describes the general English language proficiency standard that applies to student pilots and recreational pilot licence (RPL) holders.

2 Elements and performance criteria

2.1 **GEL.1 – General communication**

- 2.1.1 The person is able to demonstrate her or his ability to do the following:
 - (a) pronounce words clearly, using an accent that does not cause difficulties in understanding;
 - (b) convey information in clearly structured sentences without confusion or ambiguity;
 - (c) use an extensive vocabulary to accurately communicate on general and technical topics, without excessive use of jargon, slang or colloquial language;
 - (d) speak fluently without long pauses, repetition or excessive false starts;
 - (e) respond to communications with actions that demonstrate that the information has been received and understood;
 - (f) exchange information clearly in a variety of situations with both expert and non-expert English speakers while giving and receiving timely and appropriate responses;
 - (g) use appropriate techniques such as questioning, non-verbal communication and paraphrasing to validate communications.

3 Range of variables

- (a) oral and written communications;
- (b) aviation technical learning environment and context;
- (c) face-to-face situations.

4 Underpinning knowledge

No applicable areas.

5 Evidence required

5.1 A person meets the standard for this unit if they provide the following evidence

- 5.1.1 An assessment report, completed by a person authorised under Part 61 of CASR 1998 to perform general English language assessments, that states the candidate satisfies the general English language proficiency elements prescribed above.
- 5.1.2 One of the following:
 - (a) completed a course of secondary education conducted in an Australian or New Zealand educational institution:
 - (b) completed a course that is at least the equivalent of an Australian secondary education in an educational institution in a country where 1 of the principal mediums of instruction was English;
 - (c) is currently receiving secondary education in an Australian or New Zealand educational institution in which the principle language of instruction is English;
 - (d) has worked in Australia or New Zealand for at least 3 of the 5 years immediately before conducting a solo flight as a student pilot;
 - (e) has worked in 1 or more of the following countries for at least 3 of the 5 years immediately before conducting a flight as a student pilot:
 - (i) United Kingdom;
 - (ii) Republic of Ireland;

- (iii) United States of America;
- (iv) New Zealand;
- (v) Canada providing that evidence of use of English language in the workplace is available:
- (f) completed at least 1 of the following general English proficiency tests with the minimum grade specified for the test:
 - (i) the International English Language Testing System (IELTS) General or academic training module overall grade of 5.5, with no individual grade in a paper lower than 5;
 - (ii) the Test of English for International Communication (TOEIC-Secure Program Public Testing Centre) with grades not less than the following:
 - (A) 350 for listening;
 - (B) 300 for reading;
 - (C) 160 for speaking;
 - (D) 140 for writing;
 - (iii) the Test of English as a Foreign Language internet-based test (TOEFL IBT) with a grade of not less than 71;
 - (iv) the Test of English as a Foreign Language computer-based test (TOEFL CBT) with a Grade of not less than 197;
 - (v) the Test of English as a Foreign Language paper based test (TOEFL PB) with a grade of not less than 530.

AEL Aviation English language proficiency

1 Unit description

This unit describes the minimum aviation English language proficiency required for the following:

- (a) obtaining a flight crew licence, other than a recreational pilot licence;
- (b) authorising a person to operate an aeronautical radio under CASR Part 64;
- (c) obtaining recreational pilot licence endorsements.

A person may be assessed within a range of operational levels according to the standards in Section 2 of Schedule 8.

2 Elements and performance criteria

2.1 AEL.1 – Communicate effectively using English language

- 2.1.1 The person is able to communicate effectively in the following areas:
 - (a) pronunciation, stress, rhythm and intonation;
 - (b) grammatical structures and sentence patterns;
 - (c) vocabulary range and accuracy;
 - (d) paraphrasing;
 - (e) fluency;
 - (f) comprehension;
 - (g) interactions.

3 Range of variables

- (a) oral and written communication in English;
- (b) in flight or on the ground;
- (c) in situations which include disruptions to communication normally encountered in the flight environment, including background noise levels equipment malfunctions and distractions;
- (d) pre-recorded or actual aeronautical radio transmissions in more than 1 accent used to assess comprehension of basic aviation phraseology.

4 Underpinning knowledge of the following:

- (a) standard phraseology used in aviation communications;
- (b) the structure of the English language sufficient to comprehend written text and be able to maintain general conversation.

5 Evidence required

A report issued by a person authorised to conduct an assessment of aviation English language proficiency that states a minimum ICAO English language proficiency Level 4.
